I request an **educational screening** for the above named child, to determine whether he/she may be eligible for participation in the Carnegie IDEA Academy.

I understand the IDEA Screening Committee will handle the screening.

I understand that the battery of tests, their evaluation or interpretations are not meant to be used for inclusion or exclusion in any public school program.

I understand this is NOT a psychological examination and that the IDEA Screening Committee is not responsible for providing a comprehensive written report. Should a more extensive report be required, we will suggest an appropriate diagnostic center.

I understand that I can request a conference with a member of the Screening Committee to discuss the screening results.

I understand that all tests are property of the IDEA Screening Committee and the tests themselves will not be available to me.
